REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lakeview Elementary School is comprised of dedicated stakeholders who are committed to helping the school achieve its mission of effectively preparing our students for the future. Through the collaborative effort of our teachers, staff, parents, and administrators, we provide a warm and inviting environment that is conducive for teaching and learning. Our Positive Behavior Interventions and Support (PBIS) program establishes school-wide expectations of staying safe, taking responsibility, and acting respectfully. Character education is taught and emphasized by giving students the opportunity to participate in monthly character education lessons taught by the school counselor. Students are rewarded for exhibiting specific character traits throughout the school year.

Lakeview provides a strong, research-based instructional program that builds the foundation of academic excellence. Teachers and administrators constantly reflect on teaching and learning, analyze student data, and collaborate within the professional learning community to make data-driven instructional decisions. Individual student needs are targeted with the use of differentiation, enrichment, and remediation.

Parent and community involvement are essential components that contribute to the success of Lakeview. Parents are active participants in our school family, and they have multiple opportunities to participate in the school throughout the year. Some of these opportunities include: Family Parenting Night, PTO, school volunteers, school carnival, Math and Science night, birthday lunches, book fairs, and our reading celebration. The Lakeview family serves our community by participating in a variety of service learning projects and fundraisers. These service projects include: March of Dimes, Relay for Life, Jump Rope for Heart, and canned food drives.

Lakeview Elementary School is committed to effectively preparing our students for the future. Through the continuous efforts of our teachers, staff, parents, and community members we will prepare our students for tomorrow's opportunities.
